

INTRODUCING S'MORE 365

We know that camp friends are the best friends and now more than ever, it is important to stay connected while we're apart. It is a long off season and we want to help families keep the camp magic alive by facilitating ways to keep campers engaged and together, even virtually. S'more 365 provides access to a curated selection of top notch instructors offering high quality and engaging private virtual electives and experiences for campers and their "bunk" (this might include their camp besties, home friends, or even family)!

CAMP FRIENDS ARE THE BEST FRIENDS

S'more ways to stay connected

Have we sparked your interest? Great! Here's how it works:

Choose your elective(s)!! Get access to our instructor guide and browse through your options

Work with a s'more 365 Program Director to help select electives, answer questions, and coordinate your bunk's schedule!

Ways to get the bunk back together:

- A single elective
- Series of electives with different instructors
- Series of elective activities with a single instructor (changing content each week)

Purchase an elective activity for your bunk - \$30 / elective for 4-5 campers, \$25 / elective for 6+ campers

Notes:

- 24 hour cancellation policy
- Each group to provide 1 bunk mom to coordinate & communicate all details with the rest of the bunk
- Each elective will be programmed for about 45 mins
- Electives will be booked based on instructors availability each week
- Summer 365 will help handle and coordinate inquiries, calendar, scheduling, and collecting payments

Master class/elective opportunities, bunk birthday celebrations / parties, favors and gifts also in the works!
